Partner. Not just a tuition provider.

Over 45 years of experience in UK.

Almost 25 years of experience in Poland.

Confirmed quality of our courses by AICPA & CIMA Registered Tuition Provider status.

Case Study pass marks 20% higher than the CGMA candidates' average.

We have supported over 73,000 CGMA candidates worldwide to exam success.

BPP Momentum

BPP Momentum is our award-winning methodology. This is an innovative learning approach which helps you at every step of your study to increase the chances of success. We help you track your progress, identify your strengths and weaknesses and provide you targeted support.

B2B cooperation

We work closely with employers from different industries: from large consulting companies, through service centers and outsourcing companies to small Polish enterprises.

Lifetime Pass Assurance

We guarantee your success with Lifetime Pass Assurance Scheme. If you are unsuccessful in the exam, you can attend the course as many times as you need to succeed.

Professional support

BPP will support you every step of the way. We can advise you on how to register in CIMA, which exam to choose and what will be the most effective exam preparation method for you.

Special offers

We prepare dedicated special offers for courses and study materials on the regular basis.

Training options.

Full BPP training combines in its structure three components essential during preparation for CGMA exams: making theoretical foundation, working on skills and exam techniques by solving questions similar to real exams and mock exams. Our courses are entirely based on BPP Momentum methodology. This means we focus on developing your skills and tracking your progress. To support you every step of the way we created the innovative online platform BPP HUB. Thanks to that you have all study resources, books and tutor support in one place.

We know that our methodology works and therefore every full BPP training is Lifetime Pass Assured.

Online Classroom Live

-  Live, interactive lectures. You choose dates of your webinars by signing up for a specific group.
-  Comprehensive suite of pre-recorded lectures available from the beginning of the course.
-  A set of online study materials.

Online Classroom

-  Comprehensive suite of pre-recorded lectures: you can watch them whenever and wherever you want.
-  Detailed guidance documents including learning schedule prepared by our tutors.
-  A set of online study materials.

With everything you would expect from a traditional BPP classroom but delivered live and interactively online, you can study wherever you want with less travel and more convenience.

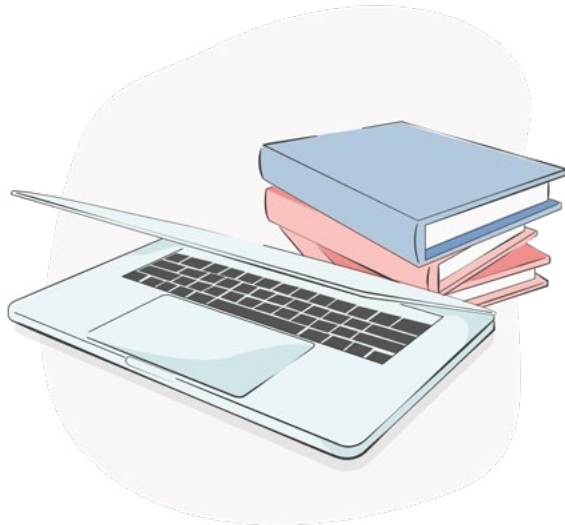

Study materials.

The most effective way to prepare for the CGMA exam is through structured courses in which you have constant support of our tutors. On the HUB, as part of each training course, you always have a set of teaching materials necessary to prepare for the exam.

However, you may choose to only purchase our study materials.

The materials are available in two variants: hard copy and eBooks.

Coursebook

The Course Book provides all the knowledge required for each CGMA exams. Features include in-depth syllabus coverage, explanation of key terms, fast forward points, chapter round ups and quick quizzes.

Exam Practice Kit

Exam Practice Kit allows you to test knowledge by putting theory into practice and improve exam technique. Features include banks of practice questions and answers, guidance of revision technique, past exam paper, hints and tips.

Passcards

Book in pocket format. Features include ability to focus on tricky syllabus areas and clear, visual emphasis to key points. Perfect in the last phase of exam preparation.

Workbook

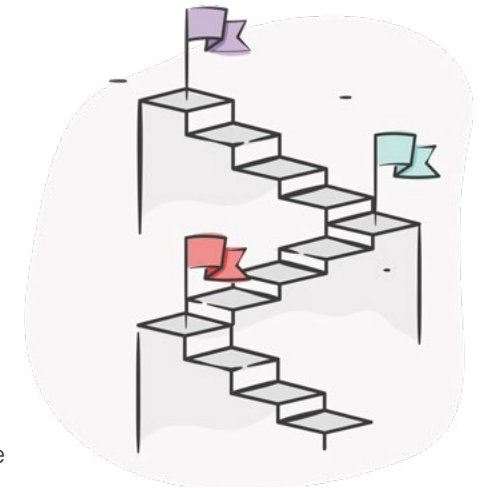

Integrated Case Study Practice Workbook explain how the case study exams works and what needs to be demonstrated in order to pass the exams. Features include large bank of practice tasks and solutions, detailed case study exam technique, guidance and BPP's recommended approach, how to demonstrate core competencies and skills.

Planning your CGMA studies.

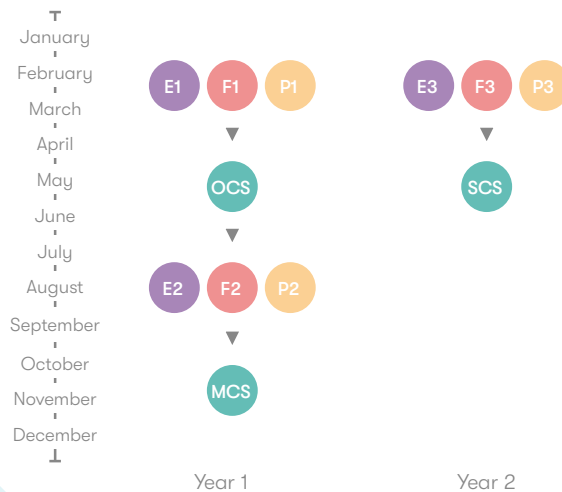

CGMA computer-based exams organised by CIMA are available all year round. It gives you flexibility to plan your studies according to your schedule and preferences. We would recommend you to plan your CGMA studies and book your courses and exams as early as possible. This way you will ensure that you are on a right track and make progress according to your schedule.

Please see below two study variants for the whole qualification (without the Certificate Level) - with the very fast and slow learning pace. There are many more options, because each break can be shortened or extended by adapting learning to your needs.

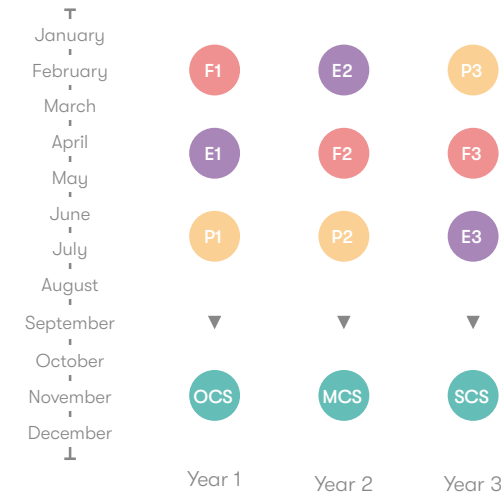

Remember, it is extremely important to take the exam within a maximum of three weeks from the date of completing the course. Then you have the highest chance of passing the exam.
