# Partner. Not just a training provider.

We have over 20 years of experience in supporting students to pass the CFA® exams.

We have prepared thousands of CFA® students to pass the CFA® exam.

Taught by CFA® qualified expert tutors with relevant industry experience and a passion for their subject

## Our educational approach

You gradually build your knowledge and skills. Based on a series of tests (Steps), you continuously check whether you have already sufficiently acquired a given range of material, or whether you need to spend some more time on it.

# Training options.

Our unique CFA® exam focused approach to studying for the CFA® institute qualification. Our courses are based on the BPP Momentum methodology. We focus on skill development and continuous testing of knowledge. This helps you identify areas that need additional work on an ongoing basis to effectively build your knowledge and skills. Our trainings are delivered on the innovative BPP HUB e-learning platform, through which you can also contact the trainer conducting the training and other group participants.

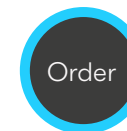

We know that our methodology is effective, which is why every full BPP training course comes with Lifetime Pass Assurance.

## Online Classroom

-  A flexible version of training with an extensive library of recorded training sessions that you can access 24 hours a day, 7 days a week. You learn when you want from anywhere in the world.
-  Detailed study schedule prepared by our tutors.
-  A set of online learning materials.

Training provided by experienced trainers that is based on recorded training sessions and our study schedule, covering the full content of the exam. From among the available training groups, select the exam session you are preparing for and the specific group by indicating the training start date. You can join the course at any time.

All BPP courses include a set of online training materials on the BPP HUB platform available throughout the training period.
