Course options.

The **full BPP courses** cover the three key elements of CGMA exam preparation:

- ✓ discussion of **theoretical concepts**,
- ✓ **solving exam-like tasks**,
- ✓ **mock exams**.

The courses are based on the **BPP Momentum method**, which means developing skills and continuously testing participants' knowledge.

Online training courses are delivered via the **innovative BPP HUB e-learning platform**.

Every full BPP training course comes with a **Lifetime Pass Assurance**, which proves the effectiveness of our method.

Online Classroom Live (OCRL)

The recommended choice! Everything you would expect from a traditional BPP training course, but delivered online: interaction, convenience, quality.

An extended version of the course with **live classes**. You choose the dates of the webinars by signing up for a specific group.

Extensive **library of recorded course sessions** made available from the very beginning of the course.

Complete of study materials in online form.

Online Classroom (OCR)

A basic version of the course with an **extensive library of recorded course sessions**. You watch when you want. You watch when you want.

Detailed **learning schedule** prepared by our tutors.

A set of online **study materials**.

Educational materials.

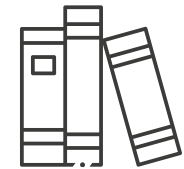

Structured course, where you can always count on the assistance of a tutor, **is the most effective method of preparing for the CGMA exams**. On the online platform, you are always provided with a set of study materials, including books, necessary to prepare for the CGMAexam.

However, you can also choose to purchase only the books. We offer a variety of different types of materials.

Books available in our offer are developed by **our publisher BPP Learning Media** based on the latest CGMA syllabuses and are regularly reviewed by the AICPA & CIMA association.

The books are available in two variants: **in print and as modern eBooks**.

Course Book

The Course Book provides all the knowledge required for each CGMA exams. Features include in-depth syllabus coverage, explanation of key terms, fast forward points, chapter round ups and quick quizzes.
